## Nominations Being Accepted for the 2024 Clint Jones Nursing Award Award Highlights Excellence in Aspiring Nurse Leaders

The Foundation for Healthy Communities is pleased to announce that nominations are being accepted for the 2024 Clint Jones Nursing Award. This annual award recognizes a registered nurse practicing in New Hampshire who exemplifies the practice of compassionate, quality nursing care and demonstrates a commitment to excellence in the nursing profession.

The Clint Jones Nursing Award was developed in honor of Clint Jones, who worked with extraordinary enthusiasm and commitment at the Foundation and several other New Hampshire organizations, to encourage people to pursue a nursing career in hospitals, schools, long-term care facilities and community practices.

Selection criteria includes a demonstration of excellence and enthusiasm in the delivery of patient care; communication with patients, their families and health care colleagues; commitment to nursing as a career; and inspiration to other nurses and health care professionals as a role model. Registered nurses who have practiced as an RN for at least one year but not more than six years are eligible to be nominated.

The nomination form can be found at <a href="https://bit.ly/3Tn75Nd">https://bit.ly/3Tn75Nd</a>. The deadline for nominations is Monday, April 8, 2024. Questions can be addressed to <a href="mailto:info@healthynh.org">info@healthynh.org</a>.

Following the selection of the winner, the person who submitted the nomination will be contacted regarding the Committee's decision. The Foundation will work with the recipient's nominator to schedule a celebration at their health care facility during National Nurses Week May  $6^{th}$  – May  $12^{th}$  and in addition, the recipient will be recognized at the NHHA & FHC Annual Meeting, October 20-22, 2024.

## ABOUT THE FOUNDATON FOR HEALTHY COMMUNITIES

The Foundation for Healthy Communities (FHC) is a non-profit organization that builds healthier communities for all by leading partnerships, fostering collaboration, and creating innovative solutions to advance health and health care.
