

## CORPORATE MEMBERSHIP BENEFITS

The New Hampshire Hospital Association (NHHA) is the leading voice for hospitals and health care delivery systems in New Hampshire, working together to deliver compassionate, accessible, high quality, financially sustainable health care to the patients and communities they serve.

To help us achieve these ends, the NHHA seeks out corporate members whose support provides an invaluable bond between the business community and our member hospitals. Our corporate members gain insight into the NHHA's expertise on a wide range of healthcare issues, including strategic information services; state & federal government relations; issues management and public relations; and health quality issues and health delivery process improvement.

Corporate membership with the NHHA provides you with the opportunity to connect with healthcare leaders throughout the state, foster relationships with new and current customers, and a better understanding of trends and changes within the healthcare environment so that you can identify new opportunities to reach New Hampshire's healthcare sector.

### **Corporate Member Benefits**

- Access to NHHA membership events, open to members and sponsors only, including the New Hampshire Hospital Association & Foundation for Healthy Communities Annual Meeting
- Company listing and web link on the NHHA website
- Annual subscription to our daily news briefs and newsletters that update members on key media interests, policy issues, legislation, legal & regulatory issues, association activities and educational programs

We look forward to your partnership and greatly value your support.

Sincerely,

A handwritten signature in cursive script that reads "Steve Ahnen".
